Having cleared the scene, I gave instructions for the entire site to be cleaned by the Highways Department of the Police Headquarters.

Having been informed of the death of the Princess of Wales, **Lady Diana Frances SPENCER** at 0400hrs, I was instructed by my department to go immediately to the La Pitie Salpetriere Hospital, Paris 13, in order to assist **Mme Professor Dominique LECOMTE**, forensic pathologist, for **observations on the body**, the report of which will be contained in a separate statement in the form of a sub-file.

I was also instructed to go to the Institute of Forensic Medicine for the same purpose in respect of the bodies of **Dodi AL FAYED** and **Henri PAUL**.
