

1 (Telephone call)

2 KELLY: Hello?

3 DODI: Hello. Let me call you back in about half an hour,  
4 okay?

5 KELLY: Why?

6 DODI: Why? Because I'm -- I have to deal with something,  
7 so I will call you back in half an hour. All right?

8 KELLY: I mean, did your feelings just change for me?

9 DODI: Kelly, will you please -- I have to deal with  
10 something. I will call you back.

11 KELLY: I mean, I don't understand how one day we're in love  
12 and then --

13 DODI: You crashed ... you crashed my car.

14 KELLY: No. No.

15 DODI: It's like a total wreck. Thank you.

16 KELLY: No, I didn't. Someone hit it with Robert. I wasn't  
17 even in the car.

18 DODI: Okay.

19 KELLY: And it is covered.

20 DODI: Can I call you back? I need to do something now.  
21 Okay?

22 KELLY: Why are you doing this to me?

23 DODI: I am going to call you back in one hour.

24 KELLY: No. My family is not here and I don't want to talk  
25 in front of them.

1 DODI: Well, I will call you later then. Okay?

2 KELLY: Why are you doing this?

3 DODI: I will call you back in half an hour, Kelly. All

4 right. I've got to go. I will call you back in half

5 an hour. I promise. Bye.

6 (Next conversation)

7 KELLY: Dodi, I have to talk to you. Wait.

8 DODI: You know what? We ...

9 KELLY: Don't you love me anymore?

10 DODI: You were always mean to me. No, you were --

11 KELLY: I was not always mean to you.

12 DODI: What did you do to me?

13 KELLY: What did you do to me?

14 DODI: You ... you left the house.

15 KELLY: Dodi, that is because you were lying to me.

16 DODI: No, stop it.

17 KELLY: Yes, it is.

18 DODI: Stop it now.

19 KELLY: No, I am not going to stop it. You'd better talk to

20 me. You'd better talk to me right now and I am not

21 joking. You'd better talk to me.

22 DODI: Why did you crash the car?

23 KELLY: It was an accident. Someone hit Robert and

24 sideswiped him.

25 DODI: Well, the car is, like, totalled now.

1 KELLY: It is not. Why won't you just talk to me?

2 DODI: What do I need to say to you?

3 KELLY: Why are we over?

4 DODI: What?

5 KELLY: Why are we over?

6 DODI: You know, it was a ... I don't want to talk. Can

7 I --

8 KELLY: No. Talk to me. I am not someone you are just

9 going to push off, Dodi. You'd better talk to me. I am

10 not joking. Why are you doing this to me?

11 DODI: Doing what to you?

12 KELLY: We were in love. I spent all that time with you.

13 Why are you doing this?

14 DODI: Kelly, stop it. Okay. Stop this, okay?

15 KELLY: What? Stop what?

16 DODI: We broke up, right? That's --

17 KELLY: Fuck off, Dodi. We did not break off.

18 DODI: Six weeks ago, we broke off; right?

19 KELLY: Dodi.

20 DODI: You walked out.

21 KELLY: Let me fucking tell you something. You'd better not

22 fuck with me, because you know that you wanted to marry

23 me and you have been calling my mother.

24 DODI: I did not -- listen to me.

25 KELLY: You did not what?

1 DODI: You have been talking, you have been talking to this  
2 guy all the time. This new guy, right?

3 KELLY: No, I haven't. You can look at my phone records.  
4 I called him because you were off with her on the  
5 boat --

6 DODI: No, hold on.

7 KELLY: -- when I was on another boat. You'd better talk to  
8 me.

9 DODI: Wait.

10 KELLY: What the fuck is going on? Do you think that you're  
11 just going to do this to me? Do you think that you're  
12 just going to do this?

13 DODI: You have been talking to this guy all the time.

14 KELLY: I talked to him once and now that --

15 DODI: You are in --

16 KELLY: And now that you have the chance and she gave you  
17 one little iota, you are just jumping for it.

18 DODI: I beg your pardon?

19 KELLY: You beg my pardon? Excuse me.

20 DODI: What are you talking about? What are you talking  
21 about? Listen, I've been very nice and sweet to you.

22 KELLY: You have not. This is nice and sweet? You told me  
23 you didn't even like her, and now you like her?

24 DODI: Excuse me, wait a second. We're not going to talk  
25 about it, discuss this. I am going to --

1 KELLY: Well, why do you suddenly like her?

2 DODI: There's nothing here to discuss, okay.

3 KELLY: Dodi.

4 DODI: I'm not ...

5 KELLY: You'd better talk to me. I'm not joking. I'm not  
6 joking.

7 DODI: Or else what?

8 KELLY: Or else you are going to be in big trouble. You'd  
9 better talk to me and tell me what's going on.

10 DODI: What big trouble?

11 KELLY: Big trouble. You'd better tell me what's going on,  
12 Dodi. Why did you do this to me?

13 DODI: Are you threatening me? Are you threatening me?

14 KELLY: With what?

15 DODI: I don't know. You just ... you said. What big  
16 trouble?

17 KELLY: With me, Dodi.

18 DODI: With you? I see.

19 KELLY: What happened? You were on the boat with her for  
20 two weeks calling me.

21 DODI: Listen now.

22 KELLY: It's been in the newspapers, Dodi.

23 DODI: I was --

24 KELLY: There are pictures.

25 DODI: Wait a second, please. Listen, just calm down. Let

1           me just -- there is nothing to discuss here.

2   KELLY:  Yes, there is.  If you don't talk to me --

3   DODI:  I will do it in person, okay?

4   KELLY:  No.

5   DODI:  I will be in LA and we'll talk.

6   KELLY:  You are coming to LA to spend time with her, aren't

7           you?

8   DODI:  No, I am coming to LA because I have work to do there

9           and I will -- I will -- I will see you and we'll sit

10          down and talk, okay?

11   KELLY:  I don't want to see you and sit down and talk.

12          I want you to tell me right now why you did this.

13   DODI:  I don't want to talk on the phone anymore, okay?  I'm

14          not going to talk to you.

15   KELLY:  Why, Dodi?  Are you afraid I'm taping you, like your

16          dad does?  Well, I am not.  So just fuck off with that.

17   DODI:  Oh, okay.

18   KELLY:  Why are you doing this?  Don't you love me anymore?

19   DODI:  I spoke to ... your mother insulted me the day

20          before.  I don't know when.

21   KELLY:  My mom didn't insult you.  She's very hurt.  You

22          were supposed to spend the engagement with us.

23   DODI:  You know, and then -- what?

24   KELLY:  You were supposed to spend their anniversary with

25          us.

1 DODI: Well, remember we broke up, Kelly.

2 KELLY: Dodi, you've been calling her, and we did not break  
3 up. What's wrong with you? I broke up with you because  
4 you were on a boat with someone else.

5 DODI: No.

6 KELLY: Stop it! Just stop it!

7 DODI: Would ...

8 KELLY: Why are you driving me crazy?

9 DODI: Would you calm down?

10 KELLY: No. I was supposed to marry you and this is how you  
11 are treating me?

12 DODI: Kelly, you went off. I couldn't find you for three  
13 days.

14 KELLY: Yeah, you could. I was here. I couldn't find you.

15 DODI: No.

16 KELLY: Why are you doing this to me? Why?

17 DODI: Kelly, you went with ...

18 KELLY: I didn't go with anyone in a year. Why are you  
19 doing this? Because it's Princess Diana?

20 DODI: Will you stop it? We broke up, Kelly. What's the  
21 matter with you?

22 KELLY: You are fucking crazy. We were together the whole  
23 time. And you knew it. You knew it.

24 DODI: Can you stop, please?

25 KELLY: Just tell me why you are doing this.

1 DODI: I will see you ...

2 KELLY: No, you tell me now.

3 DODI: Listen --

4 KELLY: You tell me now. And if you say I broke up with you

5 one more time, you are in fucking trouble. Don't say

6 it. Don't even say it. We were supposed to be together

7 and you were supposed to come here for my mother's

8 anniversary and we were supposed to stay at the house.

9 What the fuck happened?

10 DODI: We broke up.

11 KELLY: No, we didn't.

12 DODI: Kelly, you broke up with me.

13 KELLY: You tell me right now. I broke up with you because

14 you were on a boat and you wouldn't fucking call me

15 except every time you knew that I wouldn't be home. You

16 tell me right now.

17 DODI: You walked out of the house in Paris six weeks ago.

18 KELLY: You even flew me down to St Tropez, to sit on a boat

19 while you seduced Diana all day and fucked me all night.

20 DODI: No.

21 KELLY: Is that what you did?

22 DODI: No, no. I didn't do that.

23 KELLY: You didn't do that?

24 DODI: Kelly, listen.

25 KELLY: What did you do? You'd better not hang up on me,

1           Dodi. You're going to be sorry if you hang up on me.  
2           Why did you do that to me?  
3   DODI: Stop that, okay?  
4   KELLY: Why did you do that to me?  
5   DODI: You're hysterical, Kelly. I am not going to talk to  
6       you.  
7   KELLY: No. I want to know why you did this. Of course  
8       I am hysterical. We were supposed to get married and  
9       have children.  
10   DODI: No, we were not.  
11   KELLY: No, we weren't? No we weren't?  
12   DODI: No. We ... you broke up with me.  
13   KELLY: What are you talking about?  
14   DODI: You broke up with me.  
15   KELLY: I did not. What are you talking about? Why are you  
16       doing this to me?  
17   DODI: I don't know what you are doing. So listen, I've got  
18       to go. You are being crazy and stop ... you know, the  
19       whole thing came apart, Kelly, when you went and talked  
20       to this guy and then he started calling and all this ...  
21   KELLY: You are ... that I talked to someone I've known for  
22       eight years, when you were leaving me every second on  
23       the boat?  
24   DODI: I can't talk to you, Kelly. Can I speak to Robert?  
25       Is he here?

1 KELLY: Yes. He is here.

2 DODI: Let me talk to him.

3 KELLY: Hold on. Robert! Robert!

4 ROBERT: What?

5 KELLY: Dodi wants to talk to you. Do you have to talk on  
6 that portable?

7 DODI: Huh?

8 KELLY: Do you have to talk to that portable so we can  
9 barely hear you?

10 DODI: No, I really -- Kelly, I have got to go.

11 KELLY: No, you don't have to go.

12 DODI: I'd given ... you ruined the car. It is like  
13 a \$50,000 car. It is gone now.

14 KELLY: It is not. How can you say that we ruined the car?  
15 It is a \$50,000 car gone? There is a scratch on it.

16 DODI: No, it's --

17 KELLY: It is rubber. Don't --

18 DODI: It is a total wreck.

19 KELLY: (To Robert) Did you hear this? Dodi.

20 ROBERT: (In the background) I'm sure that's what they told  
21 him.

22 KELLY: I can't believe you are doing this to me, after  
23 everything ...

24 DODI: And because you don't have a driving licence, of  
25 course I have to absorb this loss. I cannot do it,

1 I cannot claim for that, you know. So I have to take  
2 the loss.

3 KELLY: What are you talking about? It is insured.

4 DODI: No, it is not. It is insured, but on my driving  
5 licence.

6 KELLY: No, it is insured on mine, and I have insurance.

7 DODI: No, I don't --

8 KELLY: Don't try to act like that, Dodi.

9 DODI: No.

10 KELLY: Just tell me why you're doing this to me.

11 DODI: I am not doing this to you. You broke -- you  
12 terrorised me. You took me for granted. You took me  
13 for granted, Kelly.

14 KELLY: You took me for granted.

15 DODI: And you -- no, no, no, no.

16 KELLY: I did everything for you.

17 DODI: You --

18 KELLY: I came over to Europe for months for you. You told  
19 me just on the boat you wanted to marry me tomorrow.

20 DODI: No, no, no.

21 KELLY: Was it a lie?

22 DODI: No, you ...

23 KELLY: Was it not true? When you asked my mom if you could  
24 marry me, was that a lie?

25 DODI: Kelly, stop it, okay? You are just being hysterical.

1 KELLY: Was it a lie? Tell me.  
2 DODI: I am going to hang up.  
3 KELLY: Was it a lie?  
4 DODI: I am going to hang up.  
5 KELLY: Was it a lie?  
6 DODI: Why did you talk to this Lebanese guy, this fucking  
7       arsehole?  
8 KELLY: Because you left me abandoned me on the boat for two  
9       days.  
10 DODI: No.  
11 KELLY: And you abandoned me.  
12 DODI: No. You don't talk to these...  
13 KELLY: Yes, I do. You wouldn't even come back and give me  
14       anything to eat. Nothing. Why are you doing this when  
15       all I did was love you?  
16 DODI: No, you did not love me.  
17 KELLY: Yes, I did.  
18 DODI: No, no.  
19 KELLY: Yes, I did. Stop saying that. Was everything  
20       a lie? You were --  
21 DODI: Stop it. Kelly, you took me as a convenience for  
22       you, okay?  
23 KELLY: You didn't want to marry me?  
24 DODI: You took me as a convenience for you, okay?  
25 KELLY: What ... you were not.

1 DODI: You took me as a convenience.

2 KELLY: I did not. I was going to marry you. What's wrong  
3 with you?

4 DODI: No, you are still talking to this motherfucker  
5 Lebanese guy.

6 KELLY: Because you were with her in that house. How am  
7 I supposed to feel? What was I supposed to feel?  
8 Imagine if I did that to you.

9 DODI: You did that. You did that to me, Kelly. You were  
10 talking to this guy.

11 KELLY: I never saw him at all, at all. You did this.

12 DODI: He came to your house. When he was in California, he  
13 came to your house.

14 KELLY: And I chucked him out. I chucked him out. You took  
15 her for a boat ride to Corsica and Sardinia or whatever.  
16 You didn't ... why didn't you take me?

17 DODI: He ...

18 KELLY: Why didn't you take me? Stop talking about him.  
19 It's not important.

20 DODI: No, because he was your --

21 KELLY: You and ... you and her did.

22 DODI: No.

23 KELLY: Why are you doing this? Why did you keep calling my  
24 mother when you were with her?

25 DODI: I did not call your mother.

1 KELLY: Yes, you did.

2 DODI: No.

3 KELLY: She heard the messages. I heard the messages of you  
4 calling me from the boat. And it says the date on them,  
5 Dodi. I have every message, every single one.

6 DODI: Oh good.

7 KELLY: So just tell me why this happened.

8 DODI: I am not -- there is nothing. We broke up, Kelly,  
9 okay?

10 KELLY: We did not. Was the engagement fake too?

11 DODI: What engagement? What are you talking about?

12 KELLY: Our engagement, when you asked my mother to marry  
13 me.

14 DODI: Kelly, please.

15 KELLY: Was it real?

16 DODI: Why are you doing this? Why are you ... you are  
17 putting words in my mouth.

18 KELLY: You didn't ask my mother to marry me?

19 DODI: You talked --

20 KELLY: Did you ask my mother to marry me?

21 DODI: Can I talk to Robert?

22 KELLY: I want to know if the engagement was real.

23 DODI: I am going to talk to ...

24 KELLY: No, you ... I want to know.

25 DODI: No.

1 KELLY: It wasn't real?

2 DODI: I want to talk to Robert.

3 KELLY: You tell me now, Dodi. Was it real?

4 DODI: You talked ... I am not talking to you about this.

5 KELLY: About what? How come you talked about our

6 engagement for a year? And now you are not? Why not?

7 DODI: I can't talk. I've got to go. I don't know what

8 you're talking about. You are not making sense.

9 KELLY: I'm not ...

10 DODI: You are not making sense.

11 KELLY: Why didn't you marry me?

12 DODI: You are not making sense.

13 KELLY: Why did you do this?

14 DODI: Because you -- you broke up.

15 KELLY: No, I didn't. You were supposed to come here for my

16 parents' anniversary.

17 DODI: 12 weeks ago, ten weeks ago, you walked out of my

18 house.

19 KELLY: Oh Dodi, fuck off. You are such a liar. I walked

20 out of your house because you disappeared and went down

21 to St Tropez, and then you flew me down there.

22 DODI: That's wrong.

23 KELLY: Oh, you didn't? You didn't fly me down there in

24 a private plane that your dad got mad about?

25 DODI: Oh stop it, Kelly. You are being so ridiculous.

1 KELLY: It's not true? Dodi.  
2 DODI: Let me talk to Robert, okay? Let me talk to him.  
3 KELLY: Yes. Robert! I am getting back on the phone after  
4 you talk to him.  
5 DODI: Let me talk to him.  
6 KELLY: Robert!  
7 ROBERT: What?  
8 KELLY: Here.  
9 ROBERT: Just one minute. Dodi?  
10 DODI: Yeah, Robert.  
11 ROBERT: Jesus Christ.  
12 DODI: Robert.  
13 ROBERT: I can't take this anymore. I just ... you know  
14 what? I've been trying to tell her ...  
15 DODI: I can't take it with her, okay?  
16 ROBERT: I have been trying to hold it together. I just  
17 want to know what you want to do, what you want me to  
18 tell her, because --  
19 DODI: Robert, we broke up. Robert, she drove me nuts.  
20 Listen, I am --  
21 ROBERT: Well, I wish you would tell --  
22 DODI: It's a repeat ... repeat of the phone thing, when she  
23 talked to this guy. She has spoken to him, this guy who  
24 spoke with you. (Overspeaking).  
25 ROBERT: Yeah, I know. I fucking hate him. You know,

1 I fucking ...

2 DODI: Robert, I can't ... I need to ... I can't deal with

3 this anymore.

4 ROBERT: Yes.

5 DODI: You know? I mean, why did she do that? And she's

6 calling --

7 ROBERT: I know.

8 DODI: And just, I can't deal with her. So?

9 ROBERT: You know, it is just like -- I mean, I had no idea.

10 She hasn't been eating and sleeping. I mean, she ...

11 I mean, I don't know. You have to tell her whether it

12 is finished or what. I mean, she still ...

13 DODI: Robert, she's the one who did it. She's the one who

14 said we were finished. We finished ten weeks ago.

15 ROBERT: Well, I know her pretty well, okay? You know,

16 I know what she went through. I mean, you were

17 torturing ...

18 DODI: If the ...

19 ROBERT: I mean, if you want to end it, you have to just

20 tell her. I mean, I told her, "If Dodi wants to finish

21 it with you now, and then you can pick up and go on".

22 DODI: Robert, it's finished. It was ten weeks ago. She is

23 the one who -- she is the one who walked out of the

24 house eight weeks ago, ten weeks ago.

25 ROBERT: Yes, but I can't just take, you know, trying to

1           just hold this together. I am not a psychiatrist and  
2           I am not, you know, I ...

3 DODI: She should go to a shrink. Why doesn't she ...

4 ROBERT: I mean, I don't know. I just don't know what to  
5           tell her anymore. You know? If you don't want to see  
6           her, you know, I mean, just tell her.

7 DODI: I want to see her and talk to her. I can't talk to  
8           her on the phone. I will talk to her when I see her in  
9           person, but I can't talk to her on the phone, Robert.

10 ROBERT: Well, I just want to tell you this: she is  
11           really ... she is shattered. I mean, she basically --

12 DODI: She brought this on herself.

13 ROBERT: You know?

14 DODI: Remember, Robert? Remember, Robert, when I sent the  
15           plane over and she insisted on it? Why?

16 ROBERT: The plane --

17 DODI: Why did she call my dad in the middle of the morning?

18 ROBERT: Is that what he was pissed off with, the private  
19           plane?

20 DODI: No, no, but he was pissed off -- no.

21 ROBERT: I mean ...

22 DODI: Why did she call him in the middle of the morning,  
23           and he threatens her?

24 ROBERT: Well, I think that is when she found out, you know,  
25           that it was coming out in the newspapers and he was

1           really mean to her, from what she -- I don't know. She  
2           said that he called her all these names and everything.

3   DODI: No, no, no.

4   ROBERT: And, you know, I thought that there was some ...

5   DODI: He's not ... he doesn't really stand for that. No,  
6           no, no, no.

7   ROBERT: I mean, Dodi, I mean, you know? I have always  
8           tried to do everything for you and Kelly, you know?  
9           I tried to, you know --

10   DODI: Robert, I did everything for her. She got the things  
11          she wanted, I got it. I did this. If she wanted it,  
12          she got it. You know?

13   ROBERT: Yes. I know, I know, I know.

14   DODI: Why wasn't that enough for her?

15   ROBERT: I just wish you would have been honest, at least,  
16          with me.

17   DODI: And then she's so angry towards me, and she took me  
18          for granted. And then she walks out of the house, wakes  
19          up everybody. You think this is funny?

20   ROBERT: It's not funny. It's not funny. You know ...

21   DODI: And then I cried when I got this abuse in St Tropez.  
22          I don't want this shit.

23   ROBERT: I know. I mean, that was hell in St Tropez.  
24          I mean, I don't know what you were going through, but  
25          when we were on the boat we were just, like, tortured.

1           That is why I got drunk that day. I mean, I never do  
2           that. You know?

3   DODI: I mean, she talked to this guy all the time, Robert.

4   ROBERT: Yes, but she thought that you basically hated her  
5           at that point. That's why she called that guy. You  
6           know? You know, she said that -- you know, she knew  
7           something was up. It was me that came up with the idea,  
8           when I asked you. I asked you if your dad was trying to  
9           fix you up with Diana. You told me no.

10   DODI: No, no, no.

11   ROBERT: I wish you would have told me the truth. I mean,  
12           if you had said to me not to say anything, I wouldn't  
13           have --

14   DODI: No, no, no, Robert. It is nothing. Robert, please.  
15           I will see you when I am in LA, okay?

16   ROBERT: When are you coming to LA?

17   DODI: Next week. I am coming on the Tuesday.

18   ROBERT: Yes. I have got, I have some jobs kind of around  
19           and everything but, you know, it is just like ...  
20           I mean, what do you want me to tell her? What do you  
21           want me to tell her?

22   DODI: Calm her down. I don't know. I just ...

23   ROBERT: But she has been like this for days.

24   DODI: What?

25   ROBERT: She has been like this for days, Dodi.

1 DODI: Well, but talk to her. Is there a shrink to go to?

2 ROBERT: No --

3 DODI: I need you to tell me.

4 ROBERT: I mean, she just, kind of, has to know if ...

5 I mean, if ...

6 DODI: She said she never wanted to see me again.

7 ROBERT: Well --

8 DODI: You know, what's the matter with her?

9 ROBERT: I mean, I always told you that she was in love with

10 you, even if she couldn't acknowledge it.

11 DODI: If she was in love with me ...

12 ROBERT: How come she ... Dodi.

13 DODI: No, Robert. I mean ...

14 ROBERT: Dodi, I have been here the last five days. She has

15 just, like ... she is basically, I have never seen

16 her ... she looks sad. She is, like, really ... she is

17 on the edge.

18 And quite frankly, her parents have gone out today

19 and I came over. I was afraid she might do something,

20 you know? And I don't want to have that on my

21 conscience. I just don't, you know? Because I always

22 painted, like, the best picture of you and ... you know?

23 DODI: I have been very nice to her, but now I can't take

24 this anymore, Robert. You know?

25 ROBERT: Well, I am going to help here.

1 DODI: When we broke up, we broke up. That was it.

2 ROBERT: You know.

3 DODI: You know? I mean, I can't ...

4 ROBERT: Well, tell her now or something. She thinks it was

5 all, like, you know, just all a lie.

6 DODI: She kept pushing me, pushing me away, pushing me

7 away, and that's that.

8 ROBERT: Well, I mean, I understand that.

9 DODI: We broke up in Paris, that was it. I've done

10 everything. I gave her the money, the ...

11 ROBERT: Yes, yes.

12 DODI: You know?

13 ROBERT: Is the thing really serious with you and Diana?

14 DODI: I'm not telling you about that. Not even a little

15 bit or anything.

16 ROBERT: Well, I mean, I don't care. That is between you

17 and her. I just ... you know? If this is really

18 serious, I am going to tell Kelly just to forget about

19 you and start a whole new life, you know? If that's

20 what you want. I am just going to tell her to go on

21 and, you know, just to turn her back on the whole

22 situation. You know, I don't know what to say at this

23 point.

24 DODI: Well, you know, when I come to LA we will talk, okay?

25 You should say that, but when I come to LA we will talk,

1           okay?

2   ROBERT: Well, do you want me to still say there may be

3           a chance there's a door open? I don't know.

4   DODI: I don't know. Listen, Robert, I did say to her, four

5           weeks ago I said to her: fuck off. So ...

6   ROBERT: Well, I know she still loves you.

7   DODI: Well, I don't know, I don't know.

8   ROBERT: It is just that this is the worst. I mean, you

9           guys have had a lot of fights, but this is the worst

10          situation.

11   DODI: Robert, it is fucking over. She's the one who did

12          it. I didn't do it. She ... (phone interference).

13   ROBERT: Oh well. You know, I think that, you know, it is

14          probably -- if it is over, it is on both your sides.

15          You know, nobody was perfect. You know, I just ...

16   DODI: Well, I gave her 100 per cent.

17   ROBERT: I just don't ...

18   DODI: She didn't give me anything.

19   ROBERT: Well, I just thought you were in love with her.

20   DODI: I gave to her emotionally and financially.

21   ROBERT: Well, I just, you know. Her mother -- I mean.

22          I was -- I was really shocked. I just kind of thought

23          that you guys could get through anything basically, you

24          know? So I am just going to tell her to get on with her

25          life because, you know ... I mean, right now she is kind

1           of in between.

2   DODI:  She's been going out, Robert.  What are you talking  
3           about?

4   ROBERT:  Well, I can assure you she hasn't been going out  
5           the last days, since this --

6   DODI:  She's been going out before that.

7   ROBERT:  Well, but not with other guys.  I mean, that's with  
8           either me or Fiona, you know?

9   DODI:  She's been out with guys, come on.

10  ROBERT:  Well ...

11  DODI:  When it's --

12  ROBERT:  I mean, she loves you.

13  DODI:  She's been out with other guys, so what the fuck is  
14           this?  Fucking hell, you know ...

15  ROBERT:  You know ...

16  DODI:  If you get a chance(?) can you tell her I'll come out  
17           before she crashes on the ... crashes on the line(?)?

18  ROBERT:  Yeah, yeah, no problem.  Yes, I will do that.

19  DODI:  Can you do that?

20  ROBERT:  Yeah, no problem.  I will do that tomorrow.  But  
21           listen, I don't know.  You know?  Maybe you can talk  
22           about it when you get here.

23  DODI:  Yeah.  I think that's best.  I can't talk on the  
24           phone now.  Okay?

25  ROBERT:  You know?  It's just ... it's just like a nightmare

1           here, I can assure you.

2   DODI: Well, I ... I didn't create that nightmare. She did.

3           She should get out of it. If she wants to see a shrink,

4           I will get her a shrink. Fuck ...

5   ROBERT: Well, I just don't know what to do. If it gets any

6           worse, I will phone you.

7   DODI: Okay, and I will get you a shrink, no problem.

8   ROBERT: (Laughs). I am okay, but I will probably need one

9           at the end, you know? Anyway. Okay.

10   DODI: Thanks. I will call you in the next few days.

11   ROBERT: Okay, great.

12   KELLY: I will call you.

13   ROBERT: Okay, bye, Dodi.

14                           (End of telephone conversation)
