KENSINGTON PALACE

Dear Paul,

Clearly from your
avid eye, this coming
weekend is an important
one!

I know that too & I
wanted to write on paper
has enormously touched
I am that you share this
excitement with me as
well. What a secret!

You are marvellous how
you cope with my questions
day after day & its quite
amazing that you
are constantly right!

But on a serious note,
your support, as always,
has been invaluable &
kept me sane during some
nightmare times

Now the tide is changing
& we can all now have
peace of mind & look forward

KENSINGTON PALACE

to happier times & different
houses!

Thank you, Paul, for
being such a tower of
strength.

Love from

Diana
